

K-LOVE serves me as a resident by providing my family programming during which we do not have to worry if what is said would or would not be appropriate for our children. If K-LOVE were displaced by an LPFM broadcaster providing other programming, thousands of people would lose the opportunity to learn that God loves them. They would lose the opportunity to listen to a station free of profanity, a station that supports moral values. The service provided by K-LOVE is in the best interest of our community. To fill one's mind with positive, encouraging lyrics throughout the day makes one think positive. Good messages result in good thinking. Garbage in equals garbage out. We have enough garbage on just about every other channel one hears today. Don't take away our opportunity to listen to positive, encouraging music.
